Released 2017

Prepared by
North Cascades National Park Service Complex
810 State Route 20
Sedro Woolley, WA 98284

This is the administrative record index file for the Newhalem Penstock, North Cascades National Park Complex, Time Critical Removal Action. The file contains site-specific documents.

The Administrative Record (AR) file is available for review at the following locations:

North Cascades National Park Service Complex
North Cascades National Park Headquarters
810 State Route 20
Sedro Woolley, WA 98284

North Cascades National Park Service Complex
Marblemount Ranger Station
7280 Ranger Station Road
Marblemount, WA 98267

Questions about this administrative record file should be directed to the North Cascades National Park Service Complex Environmental Protection Specialist, Elizabeth Boerke, (360) 854-7328.

An Administrative Record file is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA).

Please note that this Administrative Record may include index data and other metadata (hereinafter collectively referred to as metadata) to allow the user to conduct index searches and key word searches across all the files contained in the AR. All the information that appears in the metadata, including any dates associated with creation of the indexing data, is not part of the AR for the Site under CERCLA and shall not be construed as relevant to the documents that comprise the AR. This metadata is provided as a convenience for the user and is not part of the Administrative Record.
