**Old Post Office Pavilion  
1100 Pennsylvania Avenue, NW

The National Park Service (NPS) and the Eisenhower Memorial Commission seek to establish the design for the memorial to Dwight D. Eisenhower (the undertaking) on the approved site at Maryland and Independence Avenues, and 4th and 6th Streets in southwest Washington, DC. This site was selected by NPS and EMC and approved by NCPC and CFA in 2006.

NPS invites you to participate in a Section 106 Consultation meeting to receive updated information regarding the historic resources within the area of potential effects and to discuss the design implications for the proposed Eisenhower Memorial. In preparation for the meeting, updated information will be posted to the NPS Planning, Environment, and Public Comment (PEPC) website at <http://parkplanning.nps.gov/document.cfm?parkID=427&projectID=16139&documentID=33308>

NPS hosted an initial public scoping meeting/Section 106 consultation meeting on April 22, 2010, followed by a May 21, 2010 Section 106 consultation meeting. These events provided an opportunity for interested members of the public, agencies, and organizations to learn about the project, ask questions, provide comments, and identify concerns they feel should be addressed during the review process.

If you require additional information or special assistance to attend and participate in this meeting, please contact Glenn DeMarr at the NPS at (202) 619-7027.
