

Rehabilitate and Resurface Roads, Parking Areas and Driving Tour-Stops at Fredericksburg Battlefield, Chancellorsville Battlefield and Chatham Manor

Photos

View looking south along Lee Drive on the Fredericksburg Battlefield. Lee's Hill Parking Lot (Tour Stop #3) is visible to the right. Road and parking lot will be milled and new asphalt installed.

View of Howison's Hill Parking Lot (Tour Stop #4). Parking lot will be milled and new asphalt installed.

View looking at Pickett Circle Parking Lot.
Parking lot will be paved with asphalt.

View looking at Pickett Circle. Circle will be expanded by 5 feet to
allow for parking around the outer edge of circle.

View looking along the entrance to Pickett Circle. Lee Drive is in the distance and existing parking lot is on the left. Note unauthorized parking along the road edge to the right. This area will be paved with asphalt.

View of Lansdowne Parking Area along Lee Drive. Note erosion from unauthorized parking to the right. This area will be paved with asphalt.

View of Prospect Hill Parking Lot (Tour Stop #6).
Parking lot will be milled and new asphalt installed.

View looking west along State Route 3 to the Jackson Flank Attack
Tour Stop on the Chancellorsville Battlefield. The road shoulder will
be paved as a deceleration lane.

Chatham Carriage Drive at its intersection with Stafford County
Route 607. An apron will be installed.
