

Establishment of a Pedestrian Trail and Foot Bridge Linking Ellwood Manor with Wilderness Tavern on the Wilderness Battlefield
Photos

Looking southwest from Wilderness Tavern site. Trail would be a mown path following the direction of the arrow. Underbrush along the distant tree line would be trimmed to allow passage through the vegetation.

Looking southwest from previously seen tree line toward Wilderness Run. Trail would be a mown path following the direction of the arrow

Looking southwest along route of path toward Wilderness Run.
Trail would be a mown path following the direction of the arrow, crossing
Lyons Lane in the distance.

Looking southwest along route of path toward Wilderness Run.
Trail would be a mown path following the direction of the arrow.

Looking northeast from the original entrance to Ellwood.
Trail would follow the asphalt covered old State Route 720 to Wilderness
Run - in the direction of the arrow.

Looking northeast along the asphalt covered old State Route 720 toward
Wilderness Run. Trail would follow the road - in the
direction of the arrow.

Looking northeast across Wilderness Run. The bridge would be installed where the block is. Vegetation will be cleared for installation of bridge.
