United States Department of the Interior

OFFICE OF THE SECRETARY
Washington, D.C. 20240

SEP 12 2002

Honorable Richard B. Cheney
President of the Senate
United States Senate
Washington, D.C. 20510-1616

Dear Mr. President

Public Law 106-79, Section 8162, as amended by Public Law 107-117, Section 8120, authorized the Dwight D. Eisenhower Memorial Commission to establish a memorial to Dwight D. Eisenhower in the District of Columbia pursuant to the Commemorative Works Act, 40 U.S.C. §§ 1001-1010 (1994 & Supp. I 1995).

The Dwight D. Eisenhower Memorial Commission has requested that the memorial project be able to consider locations in Area I, the area comprising the central Monumental Core of the District of Columbia and its environs, which is defined in section 1002(e) of the Commemorative Works Act by a referenced map. Section 1006(a) of that Act provides that the Secretary of the Interior, after consultation with the National Capital Memorial Commission, may recommend locating a commemorative work in Area I only if the Secretary determines that the subject of the memorial is of preeminent historical and lasting significance to the Nation. If a determination of preeminence and lasting significance is made, this section further provides that the Secretary shall notify the Congress and recommend that the memorial be located in Area I.

Following its public meeting on March 1, 2002, the National Capital Memorial Commission advised me that Dwight D. Eisenhower, the Supreme Commander of the Allied Forces in Europe (1942-1945), the first Commander of the North Atlantic Treaty Organization's (NATO) military forces in Europe, and the 34th President of the United States, has made extraordinary contributions in a lifetime of public service to his country and has had a profound effect on all Americans which will continue through history.

The Secretary has considered the advice and finds the subject to be of preeminent historical and lasting significance to the Nation. The Dwight D. Eisenhower Memorial Commission should be granted the authority to consider locations within Area I as potential sites for the memorial to Dwight D. Eisenhower.

In accordance with section 1006(a) of the Act, notice is hereby given that the Secretary has, through her designee, consulted with the National Capital Memorial Commission, and recommend that the memorial be authorized a location within Area I. Under section 1006(a) of that Act, the Secretary's recommendation to locate this memorial in Area I

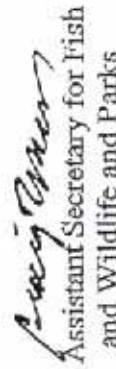

Honorable Richard B. Cheney

shall be deemed disapproved unless, not later than 150 days after this notification, the recommendation is approved by law.

No sites have been considered in advance of this recommendation. Enclosed is a draft of a joint resolution to authorize location of this memorial in Area I. We recommend that it be referred to the appropriate Committee for consideration.

The Office of Management and Budget has advised that there is no objection to the enactment of the enclosed draft joint resolution, finding that it would not affect the Administration's program.

Sincerely,

Craig A. Ihssen
Assistant Secretary for Fish
and Wildlife and Parks

Resolution on Living Memorial

Dwight D. Eisenhower Memorial

A Resolution

WHEREAS, the Dwight D. Eisenhower Memorial Commission was authorized and constituted by the President of the United States to develop proposals for an appropriate memorial to Dwight D. Eisenhower, the 34th President of the United States; and

WHEREAS, to further its mission, it is necessary for the Commission to establish the general aspects of the Memorial;

NOW THEREFORE, BE IT RESOLVED THAT

The Commission has determined that the Memorial should be composed of: (a) a *Physical Memorial* that may consist of, but need not be limited to, a permanent edifice, architecturally significant structure, statue, or other monument, and (b) a *Living Memorial* consisting of programmatic elements, including, but not limited to, sponsored historical or policy research, publications, public presentations, commemorations, and programs that will advance and perpetuate the legacy of Dwight D. Eisenhower and his contributions to the United States of America. These combined memorial elements should reflect Eisenhower's lifetime of service to the Nation and public values, and draw, in part, from the report of the Eisenhower Legacy Committee;

The Commission has further determined that the Memorial should be located in a highly accessible and prominent site within Area I of the National Capital, as designated by the National Capital Planning Commission pursuant to the Commemorative Works Act of 1986;

The Commission has further determined that the administration of the Memorial and the preservation of the legacy of Dwight D. Eisenhower, including the oversight of the living Memorial, should be vested in a Dwight D. Eisenhower Memorial Authority, with powers to raise private funds and direct public grants and other revenues towards its ongoing activities and those of existing organizations associated with Dwight D. Eisenhower that will be identified by the Authority as affiliated with the Dwight D. Eisenhower Memorial;

The Commission proposes that the Authority receive appropriations for this Memorial from the Congress for its purposes and be composed of outstanding individuals, who will reflect credit on the Memorial, as may be determined by the Congress and the President.
