ACTION: Notice of Receipt of Application for Telecommunication Site

SUMMARY: (Authority: 47 U.S.C. 332 (Telecommunications Act of 1996); 16 U.S.C. 5; other applicable authorities and Director's Order 53) Glen Canyon National Recreation Area has received an application from Commnet Four Corners, LLC, to install and operate a wireless (cellular) telephone system. The location of the proposed telecommunication site is at the Lake Powell Resort near Page, Arizona. Commnet "brokers" cellular time with major cellular providers enabling most callers to connect and be billed based on their existing calling plans. Both voice and data services will eventually be available.

DATES: Comments on this proposal can be mailed to the address shown below and must be received within 30 days of the publication of this notice in the Federal Register. Our practice is to make comments, including names, home addresses, home phone numbers, and email addresses of respondents, available for public review. Individual respondents may request that we withhold their names and/or home addresses, etc., but if you wish us to consider withholding this information you must state this prominently at the beginning

of your comments. In addition, you must present a rationale for withholding this information. SUPPLEMENTARY INFORMATION: Currently, there is limited cellular service in the Wahweap Resort area, which receives over 1,000,000 visitors per year. The cellular antennas are to be installed on the roof of the Rainbow Room Restaurant. The Rainbow Room Restaurant is a non-historic structure in the Lake Powell Resort developed area. The proposed site includes six 51 inch by 13 inch by 3 inch rectangular panel antennas mounted on the roof of the Rainbow Room Restaurant and nearby ground mounted associated radio equipment shielded by a cedar privacy fence matching existing fencing. The antennas will protrude approximately 50 inches above the existing roof line. The

antenna panels will be painted to match the Lake Powell Resort color scheme. Neither the antennas nor the associated equipment will have any adverse effects on the area's scenery or visual resources.

The staff at Glen Canyon National Recreation Area has completed a review and analysis pursuant to the National Environmental Policy Act (NEPA), the National Historic Preservation Act, the Telecommunications Act of 1996, and National Park Service requirements, policy and regulations. The NPS has categorically excluded this proposal from further analysis under NEPA, and has determined that there will not be any adverse effects or impairment to the park's natural and cultural resources. Copies of the NPS analysis and NEPA documents are available at Glen Canyon NRA, 691 Scenic View Drive, Page, AZ 86040, or can be requested by writing to Glen Canyon NRA, Attention Stan Burman, PO Box 1507, Page, AZ 86040, or by going to <http://parkplanning.nps.gov/glca>.
