

We Need Your Ideas

To identify

- what impacts are important and should be analyzed
- a full range of alternatives

To understand your concerns and what you think are the “big issues” to be considered

To define

- appropriate types of uses or occupancies for the dune shacks
- traditions that should be maintained

To answer

- How catastrophic loss and rebuilding should be addressed
- How much and for what purposes vehicle use should be allowed in the district
- How much and what kind of public access to the district is appropriate.
